### **Marketing**

We work to the principles in the British Code of Advertising, Sales Promotion and Direct Marketing, which are set out on the website [www.cap.org.uk](http://www.cap.org.uk)

### **Terms and conditions**

When you subscribe to a service from Digiquip Group Limited, we will send you our Standard Terms and Conditions and ask you to sign a contract, if applicable. If you have any questions, please phone our Customer Service Team on 0344 499 4810. We may carry out a credit check as part of our assessment procedures.

Where applicable, the minimum, or standard, contract term for our services is sixty months. We aim to provide services within ten working days of your original request, subject to the availability and installation of any equipment and, where appropriate, lines to your premises. If we need to carry out a survey of your premises or lay additional cabling, we will inform you of the revised timescales as soon as we can.

### **Cancellation**

If you decide to cancel your order or agreement before we have provided the services, you may do so without charge within ten working days of your order being placed. For cancellations after ten working days we will charge you an administration fee as set out in your contract. If you wish to terminate your contract within the minimum term, please call our Customer Service Helpdesk on 0344 499 4810. We will charge you a fee as set out in your contract. After the minimum term you can cancel any service by calling our Customer Service Helpdesk on 0344 499 4810, giving us 42 day's written notice.

Full terms and conditions relating to the Network Services Agreement and the Equipment Order & Maintenance Contract are available upon request on 0344 499 4810 and on the reverse of the signed contracts.

### **Faults and repairs**

Please call our Technical Team on 01903 851821, if you experience a fault with any of our services. We aim to have this investigated and repaired within two working days.

### **Service Levels, Compensation and refund policy**

If required we will discuss operational service levels for the following on a case by case basis:

- activation of a new service
- restoration following loss of service
- keeping a pre-agreed engineer appointment

We do not offer compensation payments in any circumstances for failure to meet the service levels listed above. Our policy is to investigate any claim submitted in writing, and deal with them on a claim by claim basis. Any refunds due will be credited to the next month's invoice or otherwise as agreed by both parties.

### **Price lists**

Our pricing structure is available from our Customer Service Team on 0344 499 4810 We will write to you in advance if we change the pricing structure on your products and services.

### **Billing**

We will bill you monthly, in arrears, for services offered by Digiquip Group Limited. We provide itemised bills as part of our service to you.

You can choose to pay us via a range of options including BACS, credit card, cheque and direct debit. These are agreed at the start of your contract. If you wish to change your method of payment at any time, please call our Customer Service Team on 0344 499 4810. It is a requirement for a Direct Debit to be in place for some services offered by Digiquip Group Limited.

tel: 0344 499 4810  
fax: 0344 499 4820  
[www.digiquip.co.uk](http://www.digiquip.co.uk)

If you have difficulty paying your bill, please contact us on 0344 499 4810, and we will try to arrange a different method of payment. We will do all we can to help small business customers to manage their bills and avoid disconnection. In any event, you will be given 48 hours notice of any decision to disconnect your services.

### ***If you are moving home or office***

Please call our Customer Service Team on 0344 499 4810, no later than 30 days before your move date. We will amend your account and billing requirements as necessary. We will endeavour to offer you the same telephone number to minimise disruption but please note that for geographic numbers this is not always possible. Digiquip Group Limited will work closely with you to ensure the smooth running of your move.

### ***Number porting***

Digiquip Group Limited recognise that keeping your existing telephone numbers may be important to you. If you move your business to us and wish to keep the number that you have with your old provider, we will arrange it if you ask us. We will work with you to ensure that the services are switched over at a convenient and appropriate time. For more information, please call our Customer Service Team on 0344 499 4810.

### ***Directory Enquiries***

You are entitled to a Directory Enquiry listing (including an entry in the Phone Book) for both your fixed and mobile telephone numbers. If you do want your details included please contact our Customer service Team on 0344 499 4810.

### ***Complaints***

We make every effort to ensure that our customers are happy with the level of service, and the products and service they receive from us. However, despite our best efforts, things can go wrong. We take customer complaints very seriously and aim to resolve them quickly and efficiently.

Our Code of Practice on Complaint Handling and Dispute Resolution explains how customers can complain. The code also provides information on how we deal with complaints and your right to take unresolved complaints to Alternative Dispute Resolution.

You can find a copy of our Complaints Code on our website at [www.digiquip.co.uk](http://www.digiquip.co.uk). Alternatively, copies are available free of charge and on request from our Customer Service Team on 0344 499 4810.

### ***Services for people with special needs***

We are committed to helping all our customers to communicate easily. We offer the following additional services on request for customers who are older or who may have a disability, including:

- Priority fault repair and assistance – if agreed
- Copies of bills on computer disc or emailed
- A free Directory Enquiries service for people who are unable to use the printed phone book
- Copies of bills in large print, on computer disc for customers who have difficulty reading their bill
- Copies of this Code are available in larger print and other formats on request

### ***Data protection***

We comply fully with our obligations under the Data Protection Act 1998 and the GDPR.

## Part 2 Digiquip Group Limited Code of Practice for Premium Rate Services and NTS Calls

### Purpose of this Code of Practice

*This code informs you, our domestic and/or small business customers, about our policies on providing information about Premium Rate Service (PRS) and Number Translation Service (NTS) calls and on our charging policy for calls to PRS and NTS numbers.*

### Premium rate services

Premium rate services (PRS) are telephone numbers that offer some form of information or entertainment that is charged to your phone bill. UK-based PRS numbers are normally prefixed by "09" or "118". Numbers starting 087 are also designated as Premium Rate numbers and subject to PRS regulation when they cost 7p per minute or more. Typical services include TV votelines, mobile ringtone downloads, technical helplines, charity fund-raising and adult entertainment.

Charges for these services are made up of two parts, a service charge and an access charge and the total is added to your telephone bill. You will see the service charge advertised by the company providing the service alongside the number and this can be between 7p and £3.60 per minute, or £6 per call or per text (including VAT) for 08 and 09 prefixes. Calls to 118 services can cost up to £15.98 per call plus a £7.99 per minute charge (including VAT). The access charge is kept by us, your phone company. Our access charge for calling these services is shown in our price list, which is available on request from our Customer Services Team and via our website.

If you have a problem with PRS, we can help. We can provide advice on checking the telephone number of any PRS charges that appear on your bill and will try to help you identify the premium rate service provider. We can use call barring to restrict access to "09" numbers. Please call our Customer Service Team on 0344 499 4810 for advice on this. We can give you a factsheet on PRS.

You can also ask for help from the Phone-paid Services Authority (PSA) which is the industry-funded regulatory body for Premium Rate Services. PSA operates a Code of Practice that sets out standards for the operation of PRS. You can use the PSA website at [www.psauthority.org.uk](http://www.psauthority.org.uk) to check PRS numbers direct and find contact details for the company in question or to submit a complaint. PSA has the legal powers to require a provider of PRS to amend its service or promotional material (or both) and can also order refunds and impose penalties on service providers for breaches of the PSA Code. For other ways to contact Phone-paid Services Authority, see the "Useful addresses" section below.

### Number translation services

Number translation services (NTS) are based on numbers that are normally pre-fixed "08". For example, 0800 and 0808 are used to provide freephone services (some freephone services are also provided on 0500 numbers). Numbers starting 084 are normally used for customer service helplines. 087 numbers are used for information services, technical helplines and telephone banking.

They are also used by organisations to help them provide call-management features such as intelligent call routing and fax-to-email services. Numbers starting 087 are also designated as Premium Rate numbers and subject to PRS regulation when they cost 7p per minute or more. Personal numbers prefixed 070 are also used for providing NTS such as "follow me" type services.

Charges for calling services on NTS numbers are made up of two parts, a service charge and an access charge and the total is added to your telephone bill. You will see the service charge advertised by the company providing the service alongside the number and this can range from free up to 13p per minute or per call (including VAT). The access charge is kept by us, your phone company.

Our access charge for calling these services is shown in our price list, which is available on request from our Customer Services Team and via our website. We can also give you a factsheet on NTS.

If you are unhappy with the help you have received from us on a problem with PRS or NTS, please contact Gary Forster, 0344 499 4810, [enquiries@digiquip.co.uk](mailto:enquiries@digiquip.co.uk), who has responsibility for compliance with our code of practice for PRS and NTS. You may also complain using the complaints

tel: 0344 499 4810  
fax: 0344 499 4820  
[www.digiquip.co.uk](http://www.digiquip.co.uk)

procedure set out in our complaints code including, ultimately, referring your complaint to The Communications Ombudsman

### **Internet diallers**

If you use the Internet via a dial up connection, it is possible for software to be placed on your computer without you knowing - using the same methods as for computer viruses. This type of software (known as Internet or rogue diallers) can then make calls to PRS and NTS numbers without your knowledge. Software is available to detect this activity and we can help you to access this - please contact our Customer Services Team for details. Phone-paid Services Authority has been given responsibility for policing this type of activity and you can contact them via [www.psauthority.org.uk](http://www.psauthority.org.uk) to ask for help or to report examples of this type of abuse. For other ways to contact Phone-paid Services Authority, see the "Useful Addresses" section below. We can also help by barring calls to 09 numbers.

### **The Telephone Preference Service**

If you don't want to get sales and marketing calls you have not requested, you can add your details to a list run by the Telephone Preference Service (TPS). If your number is on the list, it is illegal for a company to call you for marketing purposes. You can contact the Telephone Preference Service via [www.tpsonline.org.uk](http://www.tpsonline.org.uk) or by telephoning 0845 070 0707.
